

<b>Father</b>	Drethar Vassatt
<b>Mother</b>	Inea Vassatt
<b>Lover(s)</b>	Lambert (former lover) Vesemir (former lover)

## Personality

There are different sides to her that always seem to show around different people. But no matter if she shows kindness or hostility, she always carries herself with pride. Not quite as arrogant as some fellow mages, not as cold and emotionless as people claim Witchers to be. She genuinely cares about those she lets into her life and towards them, but also children, she will show kindness. Around strangers she prefers to wait and see what tone might be best to take.
